

The Following Questions were Asked and these are their actual replies:

What is the best thing about having a pool?	Skinny dipping
How often do you use your spa?	Once a month in the winter
How often do you heat your pool?	Don't because of cost.
Approximately how much did your gas and electric bill increase each month?	Electric \$50 mo. for the pump. Gas cost about \$15 each time the spa was heated for a few hours
How much time do you spend on your pool each week? (maintenance)	10 minutes
What is a good estimation of how much you spend in chemicals?	\$5 per month
Do you like your current purification, and why? (salt, chlorine, ozone)	I researched both and went with Chlorine
What advice would you give us that would have helped the process go more smoothly?	Better communication and understanding of what is within the subs scope of work. I ended up paying someone to remove 7 cu yards of bad dirt (clay) so I could bring in good landscaping dirt.
If you were to build another pool, what would you do differently?	I would have run more conduit under the deck for cable pulls and added a remote.
